BSN	504	Business Law
ECN	501	Micro Economics
ECN	502	Macro Economics
HRM	501	Human and Organizational Behavior
MGT	501	Organization and Management

Functional (Core) courses (15 credits)

Functional courses provide students with essential management skills in different line activities of an organization and provide students with managerial perspective and vision. The students are required to complete a core course before taking specialization courses in that area.

MKT	501	Marketing Management
HRM	502	Human Resource Management
FIN	501	Managerial Finance
POM	501	Production Operation Management
MIS	503	Management Information System

Capstone course (3 credit hours)

After successful completion of all the functional area courses students integrate the acquired concepts by a process of synthesis accomplished through a capstone course titled:

MGT	502	Strategic Management
-----	-----	----------------------

Concentration (Major) courses (12 credits)

A student has to complete four elective courses from the concentration areas. However, if a student chooses to specialize (major) in an area, he/she is required to complete at least three courses in the chosen concentration; otherwise the student will be awarded a "general MBA" without any concentration. Concentration areas with respective courses are shown below:
