MBA Courses at a Glance

Foundation Courses (30 credits)
Foundation courses build the base of the students coming from different disciplines. A student can get waiver from the foundation courses provided the student’s previous degrees match with the waived courses.

MSC 501 Mathematics for Decision Making
ACN 501 Financial Accounting
ACN 502 Cost and Managerial Accounting
BSN 503 Managerial Communications
MSC 502 Business Statistics
BSN 504 Business Law
ECN 501 Micro Economics
ECN 502 Macro Economics
HRM 501 Human and Organizational Behavior
MGT 501 Organization and Management

Functional (Core) courses (15 credits)
Functional courses provide students with essential management skills in different line activities of an organization and provide students with managerial perspective and vision. The students are required to complete a core course before taking specialization courses in that area.

MKT 501 Marketing Management
HRM 502 Human Resource Management
FIN 501 Managerial Finance
POM 501 Production Operation Management
MIS 503 Management Information System

Capstone course (3 credit hours)
After successful completion of all the functional area courses students integrate the acquired concepts by a process of synthesis accomplished through a capstone course titled:

MGT 502 Strategic Management

Concentration (Major) courses (12 credits)
A student has to complete four elective courses from the concentration areas. However, if a student chooses to specialize (major) in an area, he/she is required to complete at least three courses in the chosen concentration; otherwise the student will be awarded a “general MBA” without any concentration. Concentration areas with respective courses are shown below:
