UAP

UAP/1016/Admin/Vol.-VI/129

26. December 2021

Dear Students,

Greetings! Hope you and your family members are doing well.

In accordance with the directives of the Government, UAP is going to start the on-campus classes from Fall 2021 semester (starting from 01 January 2022). The classes are going to be offered in a blended mode of on-campus and online classes. As per instruction from the University Grants Commission (UGC), you are required to ensure at least one dose of Covid-19 vaccination to attend on-campus classes. Therefore, you are advised to arrange your vaccine registration before the class starts and complete your vaccination as soon as possible. Your concerned department will inform you about the routine of on-campus and online classes in due time.

While attending on-campus classes, you are expected to ensure proper sanitization, follow all health and safety measures and protocols and cooperate with the concerned security personnel with patience. You must keep social distance, sanitize hands frequently and wear masks all the time. While sneezing and coughing, please cover your mouth and nose and avoid interactions with other in case of cold and fever. For medical assistance, please contact the Medical Center immediately at Ground Floor, North-Side (Hotline: 01711206257) or your departmental office for any assistance.

We are hopeful to get your cooperation for a smooth transition to normal on-campus classes after the closure of almost two years owing to the Covid-19 pandemic. Please contact your concerned departmental office if you have any concerns.

By order of the Acting Vice Chancellor.

Best regards,

Abdullah Al Masud
Registrar
